At time of enrolment, or when the participant offers their USI, Rich Gaming Academy will verify the participant's USI through the student management system.

Participants whose USI cannot be verified, will be notified by Rich Gaming Academy administration staff. The participant will then be requested to rectify the issue.

Complaints and Appeals

Rich Gaming Academy treats complaints and appeals from staff, partner organisations, participants, and other parties very seriously and will deal with these in an effective and timely manner.

Complaints can be made about Rich Gaming Academy, its staff, other learners or third parties. Rich Gaming Academy is typically aiming to resolve all complaints within three weeks.

Rich Gaming Academy will act upon any substantiated complaints or appeals, these will be recorded into Rich Gaming Academy's RTO management System and will lead where appropriate, to continuous improvement activities. The data entry responsibility including maintaining security of these complaints and appeals lies with Rich Gaming Academy's CEO.

A person or organisation can complain about any aspect of our dealings with them, and the participant can appeal any decision we make, including assessment decisions.

In the first instance that a person or organisation is unhappy or dissatisfied with an aspect of our service delivery, they should consult their trainer and assessor, customer service staff or Rich Gaming Academy's CEO. Work Employers or Companies should contact Rich Gaming Academy's CEO.

We would encourage Participants should contact their trainer. The trainer should be the first point of contact for participants, the aim of this first contact is to resolve the issue quickly.

If the participants complaint is about the trainer, and they are uncomfortable discussing this issue with the trainer then they should contact Rich Gaming Academy's CEO.

Should the complaint or appeal not be resolved in the first instance, then the complainant is requested to formally lodge a complaint or appeal by completing either the complaint or appeal form, these forms are available from the Trainer, Rich Gaming Academy's CEO or Rich Gaming Academy's Customer Service.

The appellant or complainant can take the form away to complete, but this should be returned within 48 hours so the matter can be promptly investigated.

Should the complaint be about Rich Gaming Academy's CEO, either in their role as a trainer, or in their role as Rich Gaming Academy's CEO, then the customer service representative is able to receive and process the complaint or appeal.

This formal complaint or appeal will be entered in our Complaints or Appeals register for tracking purposes. This is the responsibility of Rich Gaming Academy's CEO, the receipt of the Complaint or Appeal will be formally acknowledged within one business day, in writing by Rich Gaming Academy's CEO.

Should the nature of the complaint refer to criminal matters or where the welfare of people is in danger, Rich Gaming Academy will, with the permission of the participant, seek assistance from other authorities such as the Police, Legal Representative or other parties as appropriate.

Participant confidentiality will always be maintained as is consistent with Australian Law. At all times the principles of Natural Justice be upheld, these being:

- That both sides of the complaint will be informed of the complaint and
- That both sides of any complaint will be heard after enough time has been provided for both sides to prepare their arguments.
- That an investigation will be conducted without undue delay
- The participant will be allowed to continue their course without penalty until such time as the final decision has been determined.

Further details on Natural Justice can be accessed from the Ombudsman's office in the state or territory in which the training and assessment is being conducted or found online on www.ombudsman.gov.au.

Rich Gaming Academy will ensure that the participant's academic progress will remain unimpeded by their complaint or appeal.

Upon receipt of the formal complaint or appeal, Rich Gaming Academy's CEO will be responsible for resolving the issue. This will involve at least a formal interview with the participant, the trainer and Rich Gaming Academy's CEO if appropriate.

Should the issue still not be resolved to the student's satisfaction, Rich Gaming Academy will make arrangements for an independent third party to resolve the issue and outline any costs that may be

involved with this to the student. The student will be given the opportunity to formally present his or her case. The time frame for this process may vary but should take no longer than 14 days.

All parties involved will receive a written statement of the outcomes, including reasons for the decision within the 14-day period. If the process is taking longer than 60 days from the complaint or appeal being received, the student will be notified in writing of the reason for the delay and kept informed about all progress.

If the student is still not happy with external mediation, he/she may take his / her complaint to the Queensland Training Ombudsman.

All documentation relating to complaints or appeals should be archived for audit purposes.

- Comply with the assessment guidelines defined in the relevant nationally endorsed training package. In the case of our qualifications, we will ensure that the competency assessment is determined by a vocationally competent assessor who holds the relevant TAE40110 or TAE40116 assessment units of competency or equivalent qualifications.
- All of our assessments within our RTO will lead to issuing a statement of attainment or issuing qualification under the AQF where a person is assessed as competent against the National Endorsed units of competency in the applicable training package.
- All of our Assessments will be:
 - **Valid** - Assessment methods will be valid. That is, they will assess what they claim to assess,
 - **Reliable** - Assessment procedures must be reliable. That is, they must result in the consistent interpretation of evidence from the learner and from context to context,
 - **Fair** - Assessment procedures will be fair so as not to disadvantage any learners. Assessment procedures will:
 - be equitable, culturally and linguistically appropriate,
 - involve procedures in which criteria for judging performance are made clear to all participants,
 - employ a participatory approach,
 - provide for participants to undertake assessments at appropriate times and where required in appropriate locations.
 - **Flexible** - Assessment procedures will be flexible, that is, they should involve a variety of methods that depend on the circumstances surrounding the assessment,

We will achieve this through:

- careful design of the assessments,
- validation and moderation of the assessment materials conducted in our annual review,
- an understanding of the definition and practical application of the above definitions.

Assessment Criteria

All our assessments will provide for applicants to be informed of the context and purpose of the assessment and the assessment process.

This will include information regarding assessment methods, alternative assessment methods if required to accommodate special needs or circumstances, and information will also be included at the start of each unit or course as to the assessment processes, number of assessments, and types of assessment

- Task skills (actually doing the job)
